Amalfi Table Lamp

The Amalfi Dual Light Source Table Lamp has a polished chrome backplate and an articulated LED reading arm.

The table lamp is dual rocker switched and shown here with an optional Zoffany 35cm rounded rectangular shade in taupe 100% silk, available to buy separately. Shades are crafted individually by hand in our UK workshop and available in a comprehensive choice of stunning, on-trend colours and fabrics including 100% silk dupions, silk linens and smooth satins.

Shades can be lined with either a hard backed white laminate or a lavish gold, silver or bronze metallic laminate. For added impact, the inner shade can be lined with any fabric from our broad ranging colour palette, thus creating a powerful two tone effect.

We recommend the use of an LED Classic GLS Lamp (see **BUL-E27-LED-17**) with this table lamp, to be ordered separately. Matching **wall light** also available.
