## Hockney 50cm 3 Light Two Tone

---

Our Hockney pendant combines a contemporary shallow drum shade with a sharp rolled edge finish, featuring a 3 light electrified suspension with a polished chrome ceiling cup and central riser tube. The shade measures 50cm in diameter across the bottom ring and is manufactured by hand in our Oxfordshire workshop. The 3 armed light fitting inside the pendant shade is obscured by a coordinating floating baffle.

Creating a striking two tone effect, the shade is lined with a choice of any fabrics from our extensive palette of luxurious 100% silk dupions, silk linens and smooth satin fabrics. Why not build your own truly personalised lampshade using our Customise tool?

We recommend the use of Clear LED Classic GLS Lamps (see **BUL-E27-LED-16**) with this pendant, to be ordered separately.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).
