

THE *Light Shade* STUDIO

MADE IN BRITAIN

Hockney 6 Light Pendant 90cm

Our Hockney pendant combines a contemporary shallow drum shade with a sharp rolled edge finish, featuring a 6 light electrified suspension with a polished chrome ceiling cup and central riser tube. The 3 tension cables on the suspension help support the weight and stability of the shade on installation.

The shade measures 90cm in diameter across the bottom ring and is manufactured by hand in our Oxfordshire workshop. The Hockney shade is available to order from our extensive palette of luxurious 100% silk dupions, silk linens and smooth satin fabrics. With the option of a rigid hard backed soft gold, matt silver or warm coppery bronze metallic lining, our silk shades will complement any contemporary living space. The 6 armed light fitting inside the pendant shade is obscured by a coordinating floating baffle.

We recommend the use of Clear LED Classic GLS Lamps (see **BUL-E27-LED-16**) with this pendant, to be ordered separately.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described.)
