## Naseby 3 Light Pendant 50cm

---

The Naseby 50cm 3 light pendant fitting features a tapered drum style shade with frosted acrylic diffuser with polished chrome metalwork.

The shade is manufactured by hand in our UK workshop from an extensive palette of luxurious 100% silk dupions, silk linens and smooth satin fabrics. Choose from a selection of neutral tones to bold citrus brights, with a white rigid laminate lining and a sharp rolled edge finish.

The overall height of the Naseby pendant can be adjusted during installation from a minimum height of 47cm to a maximum of just over 3 metres.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).

We recommend the use of 3 x LED Classic GLS Lamps (see **BUL-E27-LED-17**) with this pendant, to be ordered separately.
