Rimini Table Lamp Satin Chrome

Elegantly simple table lamp base in satin chrome with super slim profile and base with black braided cable with a black in line switch for easy operation adding a touch of luxury. Shown here with our shallow drum shade in Charcoal silk, available to buy separately. Our shades are manufactured by hand in our UK workshop from an extensive palette of 100% silk dupions, silk linens and smooth satin fabrics.

With the option of a hard backed white laminate or a lavish gold, silver or bronze metallic lining, our shades will complement any contemporary interior. To create a striking impact the shade can be lined with any fabric from our extensive colour palette, thus creating a striking two tone effect.

We recommend the use of an LED Classic GLS Lamp (see **BUL-E27-LED-17**) with this table lamp, to be ordered separately. Matching **Floor Lamp** available.
