

THE *Light Shade* STUDIO

MADE IN BRITAIN

Tuscan Wall Light Polished Chrome Fitting Only

The Tuscan 1 Light Wall Bracket has a polished chrome frame and is shown here with our **tall drum shade** in Sea Mist Gold Silk, available to buy separately. The wall light is unswitched.

Our shades have a clean rolled edge finish and are manufactured by hand in our UK workshop. Choose from from our extensive palette of luxurious 100% silk dupions, silk linens and smooth satin fabrics. With the option of a hard backed white laminate or a lavish gold, silver or bronze metallic lining, this shade collection radiates modern simplicity.

To create a striking impact the shade can also be lined with any fabric from our extensive colour palette, thus creating a striking two tone effect.

We recommend the use of an LED Classic GLS Lamp (see **BUL-E27-LED-17**) with this wall light, to be ordered separately.
