Tuscan Table Lamp Satin Chrome

The Tuscan Table Lamp in satin chrome is shown here with our shallow drum shade in Firefly Orange Silk, available to buy separately. The table lamp has clear cable with inline rocker switch.

Our shades have a clean rolled edge finish and are manufactured by hand in our UK workshop from an extensive palette of 100% silk dupions, silk linens and smooth satin fabrics.

With the option of a hard backed white laminate or a lavish gold, silver or bronze metallic lining, this shade collection radiates modern simplicity. To create a striking impact the shade can also be lined with any fabric from our extensive colour palette, thus creating a striking two tone effect.

We recommend the use of an LED Classic GLS Lamp (see **BUL-E27-LED-17**) with this table lamp, to be ordered separately. Matching **Floor Lamp** available.
