## Frosted Acrylic Diffuser 40cm

---

A lightweight acrylic diffuser with a decorative small polished chrome plate positioned in the centre. The diffuser is 40cm in diameter and will sit neatly in the base of a 40cm diameter shade.

See our 40cm diameter **drum** and **empire** shades. We recommend using with a lampshade which has a white laminate inner as the diffuser will conceal the inner lining colour.

Product code: **ACC1940**
