Anvil Small Square Shade

A classic square shade with a sharp rolled edge finish, with a rigid hard backed white laminate lining. The shade shown is manufactured using luxurious handwoven 100% silk dupion in Taupe.

Anvil shades are crafted individually by hand in our UK workshop. Available in a comprehensive choice of stunning, on-trend colours and fabrics including 100% silk dupions, silk linens and smooth satins.

Designed to accommodate a 29mm (BC or SES) to a 42mm (ES) lampholder. Suitable for use with an electrified ceiling fitting, wall light or with a lamp base, without the need for tools or an electrician.

Shown here with the Anvil Wall Light Fixed Arm, Anvil Wall Light Swing Arm and Anvil Wall Light with LED Arm.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).
