65cm Floating Baffle

This 65cm diameter baffle is designed to 'float' inside a pendant lampshade concealing the light source, whilst allowing visibility of a shade's decorative lining. It is supported by 3 chains which are secured to the frame at the top of the pendant shade. The 65cm floating baffle is compatible with our 80cm **Tapered** Pendant shade and our 90cm **Drum** shades.

Our floating baffles are crafted individually by hand in our UK workshop and are all available in a comprehensive choice of stunning, on-trend colours and fabrics including 100% silk dupions, silk linens and smooth satins.

Baffles are produced with a white hard backed laminate lining.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).
