

THE *Light Shade* STUDIO

MADE IN BRITAIN

Lizard Pendant With Crystal Droppers

The Lizard shaded pendant combines an elegant drum shade with crystal glass decoration to add a touch of glamour. The shade is manufactured with a sharp rolled edge finish and crafted individually by hand in our UK workshop.

The Lizard pendant is available to order from our extensive palette of luxurious 100% silk dupions, silk linens and smooth satin fabrics. With the option of a hard backed soft gold, matt silver or warm coppery bronze metallic lining, our shades will complement any contemporary living space. The lamp is diffused by a floating baffle finished in a matching fabric. The shade is supported by three tension cables which enable the overall height to be adjusted during installation. The single light suspension is finished with a polished chrome ceiling plate.

We recommend the use of a LED Classic GLS Lamp (see **BUL-E27-LED-16**) with this pendant, to be ordered separately.
