## Murray Small Tapered Shade

---

A classic shade suitable for use with a multi arm pendant and wall lights, with a sharp rolled edge finish, shown here with a luxurious handwoven 100% silk dupion in Taupe. Choose from our extensive palette of luxurious 100% silk dupions, silk linens and smooth satin fabrics.

The Murray shade has a 29mm gimble at the base of the shade and is suitable for use with a wall light or multi armed fitting with an E14 (SES) or BC lampholder.

Shades are crafted individually by hand in our UK workshop and are available in a comprehensive choice of stunning, on-trend colours. With the option of a hard backed white laminate or a lavish gold, silver or bronze metallic lining, our shades will complement any interior scheme.

Shown here with the statement Cabana Collection by David Hunt Lighting.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).
