Polo 4 Light Pendant 50cm

The Polo 50cm 4 light pendant fitting features a doughnut style fabric shade with frosted glass and polished chrome detailing. The shade is manufactured by hand in our Oxfordshire workshop with a sharp rolled edge finish.

Choose from a selection of neutral tones to bold citrus brights from our extensive palette of luxurious 100% silk dupions, silk linens and smooth satin fabrics on a white rigid laminate lining. To create added impact the inner shade can be lined with an alternative fabric creating an impressive two tone effect.

At the base of the pendant is a frosted tempered glass diffuser, which is secured in place by three decorative polished chrome plates. The shade is supported by three tension cables which enables the overall height to be adjusted during installation to a maximum of 3 metres.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).

We recommend the use of 4 x LED Classic GLS Lamps (see **BUL-E27-LED-17**) with this pendant, to be ordered separately.
