Renoir 90cm 6 Light Pendant

Our Renoir 90cm ceiling fitting creates a striking statement and delivers maximum impact. The shade is manufactured by hand in our UK workshop with a sharp rolled edge finish with a rigid hard backed white laminate lining. The Renoir collection by The Light Shade Studio is available to order from our extensive palette of luxurious 100% silk dupions, silk linens and smooth satin fabrics.

The key feature of the Renoir collection is a frosted glass diffuser which is secured in place by a decorative polished chrome plate and finial. The glass is tempered for added safety. The shade is supported by three tension cables which enables the overall height to be adjusted during installation to a maximum of 3 metres.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described.)

We recommend the use of 6 x LED Classic GLS Lamps (see **BUL-E27-LED-17**) with this pendant, to be ordered separately.
