## Renoir 3 Light Pendant 40cm

---

Our Renoir 40cm drum pendant radiates modern simplicity with its clean lines and contemporary styling. The shade is manufactured by hand in our UK workshop with a clean rolled edge finish on a rigid hard backed laminate lining, available to order from our extensive palette of luxurious 100% silk dupions, silk linens and smooth satin fabrics.

The key feature of the Renoir collection is a frosted glass diffuser which is secured in place by a decorative polished chrome plate and finial. The glass is tempered for added safety. The shade is secured by a tension cable which enables the overall height to be adjusted during installation to a maximum of 1.75 metres.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).

We recommend the use of 3 x LED Classic GLS Lamps (see **BUL-E27-LED-17**) with this pendant, to be ordered separately.
