## Tapered Drum Shade 50cm

---

A contemporary tapered drum shade with a sharp rolled edge finish, manufactured by hand in our Oxfordshire workshop. Our shades are available in a comprehensive choice of stunning, on-trend colours in luxurious 100% silk dupions, silk linens and smooth satin fabrics.

The shade is designed for use as a pendant only and is compatible with a variety of electrified suspensions and coordinating fabric and acrylic diffusers. The 50cm pendant shade can be used with a standard batten lampholder unit or our single **electrified suspension** and 3 light suspension (See **SP0350**).

With the option of a hard backed white laminate or a lavish gold, silver or bronze metallic lining, this shade collection radiates modern simplicity. To create a striking impact the shade can also be lined with any fabric from our extensive colour palette, thus creating a striking two tone effect.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).

Product code: **TAP50**
