Zoffany 35cm Round Rectangle

A rectangular shade with rounded corners with a sharp rolled edge finish, shown here in luxurious handwoven Taupe 100% silk dupion. The Zoffany shade has a 42mm gimble at the base of the shade with a B22 (BC) plastic reducer and is suitable for use with a table or floor lamp base with an E27 (ES), B22 (BC) or E14 (SES) lampholder.

Shades are crafted individually by hand in our UK workshop and are available in a comprehensive choice of stunning, on-trend colours and fabrics including 100% silk dupions, silk linens and smooth satins. With the option of a hard backed white laminate or a lavish gold, silver or bronze metallic lining, our shades will complement any interior scheme.

Shown here with our Amalfi Table Lamp and the delightful Tantor by David Hunt Lighting.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).
