MADE IN BRITAIN

Drum Shallow 45cm Shade

A contemporary, shallow drum shade with a sharp rolled edge finish, crafted individually by hand in our UK workshop. Our shades are available in a comprehensive choice of stunning, on-trend colours in luxurious 100% silk dupions, silk linens and smooth satin fabrics.

With the option of a hard backed white laminate or a lavish gold, silver or bronze metallic lining, our shades will complement any interior scheme. To create added impact shades can be lined with any fabric from our vast colour palette, thus creating an impressive two tone effect.

Designed to accommodate a 29mm (BC or SES) to a 42mm (ES) lampholder. Suitable for use with an electrified ceiling fitting, wall light or with a lamp base, without the need for tools or an electrician.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).
