

THE *Light Shade* STUDIO

MADE IN BRITAIN

Gatsby Pendant Shade With Fringe

Inspired by the iconic era of 1920s New York, the Gatsby is an opulent pendant shade handmade in Britain.

Finished with luxurious high-quality fringe in ivory or warm grey; the Gatsby fringed shade is available with three metallic lining options. Choose from a warm coppery bronze, a lavish gold or a cool silver metallic laminate.

The shade is designed for use as a pendant and is compatible with a variety of electrified suspensions. The versatile Gatsby lampshade can be used with a standard batten lampholder unit or our single **electrified suspension** and 3 light suspension (See **SP0350**). Alternatively for areas with restricted ceiling height, the Gatsby shade can be teamed with our new semi flush 3 light suspension **SF5350**.

The Gatsby can also be used with an optional floating baffle in a coordinating fabric of your choice. All accessories are available to be purchased separately.

Our complete **fabric swatch** palette is now available to order. Fabric colour to be specified upon ordering.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).
