Hurley 2 Light Wall Washer With Crystal Droppers & Shade

Statement bevelled crystal suspends from this striking shade with a rigid hard backed metallic lining in elegant silver or warm bronze. Complete with polished chrome detailing; the Hurley range features a matching wall light and ceiling pendant.

The Hurley Shaded wall light is shown here in Almond Cream with bronze lining. Shades are produced using our new smooth satin fabric, crafted by hand with a crisp rolled edge finish. Our shades are available to order from our extensive palette of luxurious silk dupions, silk linens and smooth satin fabrics. Please specify outer shade when ordering.

We recommend the use of LED Capsule lamps (see **BUL-G9-LED-4**) with this wall light, to be ordered separately.

Our complete **fabric swatch** palette is now available to order.

Our bespoke or customised light fitting items are not covered by our standard returns policy. These are 'made to measure' light fittings that are made to your individual requirements and cannot be resold by us. We will work with you and do our utmost to make sure you are 100% satisfied with your order before your light is made, but regret we are unable to offer refunds on bespoke fittings after the initial 24 hour cooling off period. Our production and delivery time for bespoke items is 2-3 weeks. (None of the above affects your statutory rights where goods are faulty or not as described).
