Fabric Options

Natural Dupion Silk: Our 100% Dupion silk is a natural handwoven fabric, unmistakable by a richness and variety of colour and texture. The triangular structure of the fibre acts like a prism, refracting light and giving the surface of the fabric a lustrous sheen.

Luxury Satin Mix: A soft and smooth fabric produced using a combination of cotton and polyester fibres, combed to create a luxurious satin finish.

Pure Linen: Made from 100% linen, this fabric carries an elegant and subtle matt sheen.

Lining Options

Laminate Linings: The shade laminate gives hardback shades their rigidity. Our metallic laminates add a contemporary feel to the shade. The warmer gold and bronze will influence the light giving a warmer ambience.
