Arendal 4 Light Pendant Gold Leaf

The **Arendal** four light pendant is characterised by its unmistakeable honeycomb structure, lavishly decorated in a hand-applied distressed gold leaf. The frosted tempered glass diffuser acts as a screen to soften the light, making it ideal for spaces where moderated light is required, such as bedrooms or dining areas.

The Arendal comes complete with a bespoke fabric shade.

Our high quality fabric shades, hand crafted in our Oxfordshire workshop, are fully customisable, with a choice of luxurious fabrics and an array of colours. If you would like to supply your own fabric, then please contact us to discuss your personalised requirements.

Customise your Arendal by using our product configurator to see your design before placing an order.

Fabric Options

Natural Dupion Silk: Our 100% Dupion silk is a natural handwoven fabric, unmistakable by a richness and variety of colour and texture. The triangular structure of the fibre acts like a prism, refracting light and giving the surface of the fabric a lustrous sheen.

Luxury Satin Mix: A soft and smooth fabric produced using a combination of cotton and polyester fibres, combed to create a luxurious satin finish.

Pure Linen: Made from 100% linen, this fabric carries an elegant and subtle matt sheen.

Lining Options

Laminate Linings: The shade laminate gives hardback shades their rigidity. Our metallic laminates add a contemporary feel to the shade. The warmer gold and bronze will influence the light giving a warmer ambience.
