Ellington 2 Light Wall Light With LED Reading Light

This versatile and simple elegance of the **Ellington** double wall light creates a statement in any contemporary interior setting. The wall light is supplied with a frosted, acrylic diffuser which neatly sits at the base of the shade, giving a beautifully diffused effect onto the area below. With an adjustable LED reading light, this wall light is an ideal choice located beside a bed.

The Ellington comes complete with a bespoke fabric shade.

Our high quality fabric shades, hand crafted in our Oxfordshire workshop, are fully customisable, with a choice of luxurious fabrics and an array of colours. If you would like to supply your own fabric, then please contact us to discuss your personalised requirements.

Customise your Ellington by using our product configurator to see your design before placing an order.

Fabric Options

Natural Dupion Silk: Our 100% Dupion silk is a natural handwoven fabric, unmistakable by a richness and variety of colour and texture. The triangular structure of the fibre acts like a prism, refracting light and giving the surface of the fabric a lustrous sheen.

Luxury Satin Mix: A soft and smooth fabric produced using a combination of cotton and polyester fibres, combed to create a luxurious satin finish.

Pure Linen: Made from 100% linen, this fabric carries an elegant and subtle matt sheen.

Lining Options

Laminate Linings: The shade laminate gives hardback shades their rigidity. Our metallic laminates add a contemporary feel to the shade. The warmer gold and bronze will influence the light giving a warmer ambience.
