### Fabric Options

**Natural Dupion Silk:** Our 100% Dupion silk is a natural handwoven fabric, unmistakable by a richness and variety of colour and texture. The triangular structure of the fibre acts like a prism, refracting light and giving the surface of the fabric a lustrous sheen.

**Luxury Satin Mix:** A soft and smooth fabric produced using a combination of cotton and polyester fibres, combed to create a luxurious satin finish.

**Pure Linen:** Made from 100% linen, this fabric carries an elegant and subtle matt sheen.

### Lining Options

**Laminate Linings:** The shade laminate gives hardback shades their rigidity. Our metallic laminates add a contemporary feel to the shade. The warmer gold and bronze will influence the light giving a warmer ambience.
