## Jolyon 6 Light Pendant Brushed Brass and Bespoke Shade

---

Crafted with a brushed brass frame and adorned with a frosted acrylic diffuser and a choice of bespoke fabric, this pendant exudes contemporary charm while casting a gentle, inviting radiance. The Jolyon Pendant offers the perfect balance between style and functionality, with its sleek 40cm diameter and adjustable height, ensuring adaptability to various room configurations. Its minimum height of 43cm even makes it a superb choice for rooms with lower ceilings. Hang it gracefully over a kitchen island or dining table, or use it as mood lighting wherever you seek to create an atmospheric ambiance. Please note that the Jolyon Pendant requires 6 ES (E27) GLS lamps, which are not included.
