4 Light Pendant Polished Chrome With Bespoke Shade 50cm

The Polo 50cm 4 light pendant fitting features a doughnut style silk shade with frosted glass and polished chrome detailing. The shade shown is manufactured using a natural handwoven 100% silk dupion on a white laminate lining, with a sharp rolled edge finish. To create an impressive two tone effect shades can be lined with any fabric from our extensive palette of luxurious silk dupions, fine linens and smooth satin fabrics. At the base of the pendant is a frosted tempered glass diffuser, which is secured in place by three decorative polished chrome plates. The shade is supported by three tension cables which enables the overall height to be adjusted during installation to a maximum of 3 metres.

Height is adjustable at the point of installation (35-300cm).
