THE LIGHT SHADE STUDIO

SF0175

Semi Flush Suspension Antique Brass Bracket Only

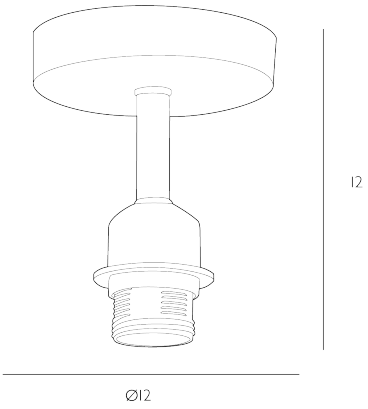

1 Light Semi-Flush ceiling light with a antique brass finish. We've designed this simple fitting to be perfect for use with shades and easy fits, we think the 12cm drop is perfect for letting just enough light out from above a shade to allow a softer more even light to the room. We love using it with our Ronda range of Easy-Fit Pendant's that come with a frosted acrylic diffuser. But it also works great with our glass Easy-Fit Pendant s or anything with an E27 shade ring.

The Accessories is sold as a fitting only; shades are sold separately. We recommend our AIS6503 shade.
