THE LIGHT SHADE STUDIO

WACO

5 Light Suspension Antique Brass and Matt Black

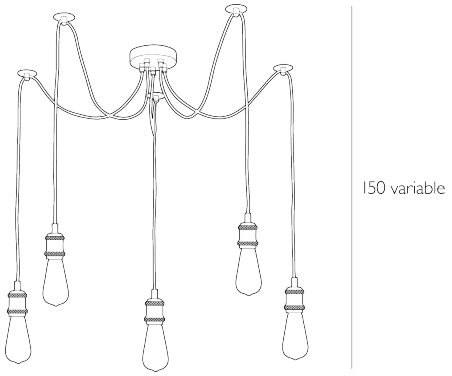

The Waco 5 light pendant suspension features a solid die cast lamp holder in antique brass with a knurled shade ring. With pre-attached metal ceiling hooks on each 1.5m cable the fitting can be adjusted to suit the room or furniture, you can now move the light away from the electric point and have multiple lights on a huge spread without the expense of extra wiring. At the same time the fitting gives a unique industrial look.

Height is adjustable at the point of installation (75-160cm).
