

FLUKE

Wall Light Black/Silver With Bespoke Shade

Inspired by the Fluke of the Humpback Whale, the Fluke range is a sculptural homage to the sea. The whale tail form of the wall light lifts its shade like a breaching silhouette while the intersecting tails of the table lamp rise in a poetic loop. Offered in our unique copper verdigris or our new silver verdigris, each piece is hand patinated for a deeply organic surface that captures the drama and beauty of oceanic forms.

Bulb not included; takes 1 x 40W max BC GB. We recommend our BUL-B22-LED-3 bulb. [Click here to shop.](#)

Dimmable when paired with suitable bulbs.

Bespoke Shades

Our high quality fabric shades, hand crafted in our Oxfordshire workshop by our sister brand The Light Shade Studio, with a choice of luxurious fabrics in 100% Dupion Silk, Satin or Linen in an array of shapes, sizes, and colours. If you would like to supply your own fabric, then please contact us to discuss your personalised requirements. Customise your shade by using our product configurator to see your design before placing an order.

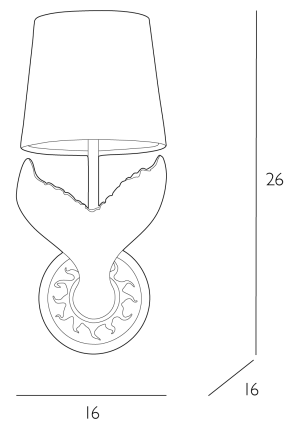

Returns

As our bespoke or customised fittings are made to your specific specification, these are not covered by our standard returns policy. We are unable to offer refunds after the initial 24 hour cooling off period. Please see our [Terms and Conditions](#) for more details. None of the above affects your statutory rights where goods are faulty or not as described.

SPECIFICATIONS:

Product code:	FLU0721
Measurements:	D16 x H26 x W16cm
