

# ICARUS

## *4 Light Shadelier White With Bespoke Shade*

With its sculptural form the Icarus pendant strikes a perfect balance between classical elegance and modern minimalism. A wide, drum shaped shade conceals a gracefully twisted arm design beneath its sinuous curves painted in soft matte white, lending the piece a sense of weightless poise. Inspired by the mythic flight of Icarus, the Icarus collection comprises of pendants, a matching wall light and elegant table lamps.

The Icarus comes complete with a Bespoke Fabric Drum shade. Height is adjustable at the point of installation (56-96cm). Bulb not included; takes 4 x 40W max SES CNDL. We recommend our BUL-EI4-LED-13 bulb. [Click here to shop.](#) Dimmable when paired with suitable bulbs.
